

Walk into every meeting with an unfair advantage.

Your CRM, email, and calendar analyzed before you even start your day.

Spot risk before it costs you. Understand every deal without hunting for context. No more scrambling the night before a big call.

With Actions and tasks flagged from call transcripts your teams no longer need to worry about missing an action or follow-up.

AI-Powered Meeting Briefs

Generated automatically from your calendar, CRM, and email. Walk into every meeting knowing who you're talking to, what they care about, and what needs to happen.

Deal Relationship Matrix

Visualize who is involved, who is influential, and where the risk is. No more guessing at stakeholder maps or missing the person who kills a deal.

Real-Time Pipeline Visibility

Spot stalled deals before they cost you. Track stages, bottlenecks, and follow-up gaps all in one clear view. No more pipeline mystery.

Everything in One Place

Stop jumping between tools. Connect your CRM, email, and calendar in one AI-powered hub so your context is always complete before a call.

For reps and managers who refuse to leave deals to chance.

Sales Reps: Prepare faster, sell smarter, and never miss a follow-up so you can focus on closing deals.

Sales Managers: Get real-time pipeline visibility and spot coaching opportunities before deals go cold.

Revenue Leaders: Reduce manual workloads, increase deal velocity, and build a pipeline you can actually trust.

Customer Success: Walk into every renewal and QBR with full account context, no manual digging

Your pipeline deserves better than guesswork.
