

Prepare faster. Perform better. Win more.

SentientPro brings AI-powered deal research and world-class coaching together in one platform. Everything your revenue team needs, with none of the tech stack sprawl that kills adoption.

Closed-Loop AI Roleplay

Turn your team's own call recordings into practice scenarios. Not generic AI content, your real conversations, used to train your reps for the next one.

Real Human Expert Coaches

Not just analytics. Industry professionals delivering bite-sized coaching built for revenue teams. Learn from people who have been in the same seat.

Everything in One Place

Training, pipeline intelligence, meeting prep, and team management all under one roof. Adoption goes up when reps only have one place to go.

Assign and Track Coaching

Spot a skill gap and fix it that day. Assign expert-led sessions, set deadlines, and see completion data so nothing ever falls through the cracks.

The AI assistant and coach for your whole revenue team.
